

## **How to Place a Security Freeze with the 3 Major Credit Agencies**

The 3 major credit agencies are Equifax, Experian, and TransUnion. Below are the URLs for placing a security freeze with each agency. This typically costs \$5 per agency to do (although if you've had your identity stolen, this fee may be waived).

If a URL link doesn't work, please go to each agency's home page. Then in the Search box, type in "security freeze" and look for the webpage that addresses how to place a security freeze.
